

Submitter: Joel Schauer

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

This bill breaks many promises previously made on land North of Hillsboro to remain rural reserves for many more years. It also has a potential loop hole that could still allow data centers to attempt to devour this land like they did with the rest of north Hillsboro's industrial land. We need to at least try to standby the decisions made by previous leaders for more than a few years.
