

Submitter: Kyle Miranda

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

My name is Kyle Miranda and have lived in Washington county for the last 9 years. My family and I love it here. We love how every community has a shared respect for the land that we share.

This bill is a direct violation of that respect. Disregarding the rural and rich agriculture history of our great valley. A complete disregard for the wishes of the citizens, to give tax breaks to companies and investors that don't live here. That don't have to suffer the consequences.

I strongly urge a vote of NO SB1586
