

Submitter: Riley Wolff  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

Please abide by the 2014 bill setting aside this land. The urban growth line is both a gift to our future generations and of vital importance to preserving our environment. Local family farmers, citizens — people that actually live here — have a right to not have their spaces destroyed in the name of feeding the big tech data center beast. The water needs alone of these projects would ruin Oregon. For the love of our shared land, please stop this bill.
