

Submitter: Elaine Ledbetter

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I don't think that the proposed use is a benefit to the City, County or State. We already have land that is approved for data centers. What we do not have is water sources, and places for housing when agriculture is no longer viable. I want our leadership to be planning out long range for a healthy community for all our people.
