Vote NO on SB 1586: Hillsboro industrial land

-- I am 65 and was lucky enough to work my entire lifetime in agriculture ..
?-- Hillsboro needs to take responsibility for their poor planning and use our Land
Use system designed for ALL Oregonians ..
?-- Hillsboro has irresponsibly over-used their agreed upon lands inside the UGB;
and offered tax breaks which makes it worse ..
-- Hillsboro is wast?ing everyone's time?, ?and being very inconsiderate, with these
?continued attempts ?at subverting Oregon's system ..
-- Oregon?ians ha?ve ?a one of a kind system made to Protect and Manage these
lands; Please allow it to work as designed !!

Thank you,
Carl Smith
