

Submitter: Robert Rodgers  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

Please do not advance this bill. Hillsboro doesn't need more of its water and land gobbled up by yet another tech business that hires few, pays little in taxes, and poisons us. I will be eager to vote against any of my representatives that pass this bill and will do everything in my power to encourage others to do the same. Protect us! Stop being bought.
