HB4001

I oppose HB 4001. Vote NO on HB 4001. WHY ARE YOU ALWAYS LOOKING FOR WAYS TO WAIST MY TAX DOLLARS?? You have already made it obvious you have mismanaged the money you already took from us in "taxes" This is the only way you find ideas to pretend to look for answers, dump my tax dollars into a "study" or just increase taxes. We all know that's code for "putting money into your pockets." Here's an idea, allow our law enforcers to follow and enforce the already established law.
