The time for niceties is over. The Supermajority Democrats have ZERO RESPECT for their constituents, and therefore they deserve no respect in return.

This ploy to ramrod all these tax bills in a short session, without allowing time to notify the public and allow testimony shows the corruption and lack of respect these jerks have for the average Oregonian. The people have spoken but were not heard. No more taxes, directly or indirectly. No more attempts to grab the Kicker. NO MORE! Where is all this money going??? Where is the fiscal accountability??? We need NEW LEADERSHIP in this state.
