

Submitter: Hope Vaccher
On Behalf Of: Governor McCall
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

As of the morning of February 16, 401 people submitted comments in opposition to the bill while 25 people wrote in support.

Why not just give the State of Oregon over to the semiconductor industry, an unstable industry that cares not about the subsidies they receive, when it's time to go it's time to go. Over and over ya'll give away tax money to industries that want our water and farmland.

Just stop.
