Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

Attention Senate Committee On Finance and Revenue. I want you to think before you hold your hand out for money. Vote No on SJR 201 Bill!

Why do you continue to write Bills that prey on Oregonians' feelings and empathy when you mention education and wildfire prevention, to get us to pay for your money grab Bills? You have done a terrible job financially for the State of Oregon. Start working within the State Budget before you ask for MONEY! We would have extra money if you didn't run all our long-standing businesses out of the State!
