On Behalf Of:

Committee:

House Committee On Judiciary

Measure, Appointment or Topic:

HB4001

I oppose HB4001.

Stop wasting our tax dollars to study unlawful immigration enforcement activity when you

know darned well it's legal and the people want the illegals out of our state. A crime is a crime. Do your jobs and keep us safe by enforcing the laws on the books.

Please do not move this bill out of committee.
