

*I am writing to respectfully urge you to oppose SB 1517 as amended by either the -6 or the -7 amendments.*

*As a supporter of Oregon's recreation and fitness community. And as a representative of an organization who has provided youth access to Oregon outdoor adventure resources for over 50 years. I remain concerned that SB 1517 -6 or -7 does not solve the insurance crisis facing providers across the state. The amendments, while representing an improvement, still fail to provide the clarity and predictability insurers need to re-enter or remain in Oregon. No other state does what this proposal seeks.*

*SB1593 on the other hand, has overwhelming bipartisan support, will address the recreational insurance crisis, and is already further along in the process.*

*Please refocus your efforts to support SB1593!*
