Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

My Name is Kaysi Lovelace. I live in Hillsboro and I greatly oppose SB1586. This bill will directly and negatively affect the current citizens and future generations of Hillsboro by raising our power bills and tainting our water supply. These data centers leave an immense environmental footprint and cause strain on local resources, all at the detriment of the people who live here.

Thank you for your consideration,
