

Submitter: Richard Harden
On Behalf Of: Myself and the people of Oregon
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SJR201

The people of Oregon have already spoken. The democrats supposedly representing the interests of the people need to listen, and leave the people's money alone. Your tax and spend with no end in site liberal ideology needs to stop. The people are getting tired of not being listened too. If you truly respect the people and constituents you are to represent. Then listen to them and their words. No more taxes. Live within your means, figure it out. Work with the other side of the isle and figure out what is best for all the people of the state of Oregon. Leave the peoples money alone. Or the next thing you see may be the door, as your voted out this November. Thanks for your consideration in this matter. Vote no.
