

Submitter: Joseph Yuhas

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am opposed to senate bill 1586 even though my state senator rep proposed it. This bill does not represent me, my family, or my district and is a breech of the land use agreement already in place. There is sufficient industrial land already in place and this land grab is not in the public interest and only serves to increase pollution and degrade the entire area. Please DO NOT vote for SB 1586 and stand up to supporting the land use agreements already in place. I moved to the area because of the natural beauty and climate. Implementing this bill will destroy that beauty and natural climate.
