

Submitter:

Laura Turnbull

On Behalf Of:

Committee:

House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or

HB4105

Topic:

I urge you to protect our PUBLICALLY OWNED forestland by refusing to allow private companies to profit from the destruction of public lands and habitat. The clear-cut and uniform replanting "forestry" practices used destroy habitat for plants, animals and humans. Water quality is demenished and air quality is compromised. It is the job of the State to protect public assets, not allow the destruction of said assets.
