Linda Middlekauff

On Behalf Of:

Committee:

Senate Committee On Rules

Measure, Appointment or Topic:

SB1574

I strongly oppose SB 1574. The responsibility to vote as a citizen is very important, and most 17 y/o's are not ready for this serious responsibility due to the poor quality of public education in OR (See NAEP results) and because they know very little about the process of government/civics.

Thank you!
