

Submitter: Sheri Winters
On Behalf Of:
Committee: Senate Committee On Energy and Environment
Measure, Appointment or Topic: HB4102

Dear Senate Committee on Energy and Environment,
I support HB 4102 and ask you to do the same. Oregon is chasing businesses away with high taxes and regulations that create delays and unnecessary hurdles. Let's improve the process that will create a better environment for industry here in our state. Vote YES on HB 4102.
