We are one of the highest taxed states as it is. Have been debating leaving this wretched state due to high taxes and high cost of living .

The kicker we get every year is the only slight relief, you you are trying to take that now too. It's reprehensible and disgusting, you spend millions filing lawsuits against the presidential administration and mismanage money for years. Then try to take even more from the working people of Oregon? We are strapped as it is , yet you just take take take and it's never enough. It's disgusting, We are struggling . We need every dollar we can muster to save in this godless state. The answer is NO. NO NEW TAXES, STOP STEALING OUR MONEY , STOP TRYING TO CHANGE THE CONSTITUTION TO FEED YOUR GREED AND AGENDA.

Was wondering why my federal return was already paid and Oregon dragging its feet til February 18th. Says on DOR, to prevent fraud. That's a blatant lie, it's to try to push this crap Through tomorrow. We can't take anymore.
