

Submitter: Mary Trevino

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

Are you familiar with the Black Swan Theory? Rare, unpredictable events with extreme, widespread consequences. You are setting us up for a Black Swan. You CLEARLY do not factor in what would happen if a fire started in this setting. Massive, catastrophic changes would happen to our local community. STOP this now. The emergency response infrastructure cannot handle this!
