Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

Dear Senate Committee,

I oppose the expansion of Hillsboro's UGB to include some of the most fertile farmland in Washington County. I am a citizen of Beaverton whose household supports and is fed by farmers in this region of Washington County. The produce and wine from here is delicious! Please help protect this highly valued farmland from development for us and future generations.

-Thank you
