

Submitter:

Vicky Jackson

On Behalf Of:

Committee:

House Committee On Revenue

Measure, Appointment or Topic:

HB4136

My Husband and I have lived in the Sunriver area since 2005. Our homeowner taxes in 2005 are now over \$6,500 which is ridiculous. I am a John L. Scott Central Oregon Real Estate Broker and I oppose this measure. We need to make homeownership more affordable in Central Oregon for our young families.

Thank you,

Vicky Jackson
