

Submitter: Bill Bold  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

This reads like a direct subsidy of business. Plus it allows applicants to bypass land use laws among others. One reason taxes are so high in this state is its pendent for tax giveaways like this. Business will make the the investments they need to survive without our tax breaks. Maybe the real reason that we lost so many jobs in 2025 is our tax breaks did not bring the best companies here. Lets not continue a bad plan.
