

Submitter: Susan Pfahl  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I oppose bringing this set of lands into the Urban Growth Boundary. "Planting" businesses and houses on the best farmland this world has to offer will damage the Tualatin River watershed. It will reduce our agricultural ability to produce the food we need to eat--and you cannot eat data from the data centers proposed. Such businesses can be located in areas that have less productive land.
