

Submitter: Gabriella Francolla  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I strongly oppose the rezoning of farmland in Hillsboro to be used for data centers. Oregonians don't need more data centers, which raise our electricity bills, take our water, and don't pay their fair share in taxes. Oregonians can't eat data. Preserve the farmland outside of Hillsboro and please say no to more data centers that only benefit corporations.
