

Submitter: Chris Wade

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SJR201

How about using the current funds more judiciously? Oregon has dropped to near the bottom in the nation on education regardless of countless measures and taxes levied. My property taxes continue to exceed my wage growth. The kicker was put in place for a reason: to keep the legislature in check. Do your job (for us) and pass a balanced budget, cut the fat, and stop any and all fraud happening in the state before asking for more of the citizens money.
