Measure, Appointment or Topic: SJR201

I really am short on words. I swear that you elected officials are completely out of touch with those you claim to represent. You hate us and want to take everything from us. Not only are you taking our money, you cause prices to go up on everything on top of that. Please don't do this, please stop taking money and forcing businesses to close. You should clean out government corruption and be frugal with the money you steal from us. Please stop this madness.
