Resources, and Water

Measure, Appointment or Topic: HB4105

It would weaken protections for Oregon's state forests. HB 4105 would require the Department of Forestry to pass a timber harvest rule that would PRIORITIZE clearcut timber harvest AT THE EXPENSE OF ALL OTHER VALUES! NECESSARY VALUES - like clean water, fish and wildlife, recreation, and carbon absorption and storage. HB 4105 would also create a special right for recipients of timber revenue to sue the Department of Forestry to force more logging on state forests.

threatens to undermine the implementation of the state forest Habitat Conservation Plan and the Climate Change and Carbon Plan for state forests that myself and many others have fought SO hard for - FOR MANY, MANY YEARS!!

AND it would RESULT IN MORE CLEARCUTS! DAMAGING WATER QUALITY in the clearcut areas and all downstream - hurting fish and wildlife habitat and creating more lawsuits.

PLEASE STOP THIS BILL NOW - PLEASE OPPOSE THIS BILL.
