

Submitter: Will Fett

On Behalf Of:

Committee: House Committee On Agriculture, Land Use, Natural
Resources, and Water

Measure, Appointment or Topic: HB4105

I strongly oppose any measure that would prioritize clearcut timber harvest at the expense of other values like clean water, fish and wildlife, recreation, and carbon sequestration. Please do not let this undermine the implementation of the state forest Habitat Conservation Plan and Climate Change and Carbon Plan for state forests.
