I am adamantly opposed to changing the Oregon Constitution so that surplus revenue is kept by the State and not returned to taxpayers. I am already alarmed that corporate tax revenue surplus doesn't go back to the corporations that overpaid taxes to the State. Not only should SJR 201 fail, we should return to corporations any overpaid taxes. Oregon has demonstrated it lacks competence with regard to budgeting and spending taxpayer money. Taxpayers shouldn't be financially responsible for mismanagement of the budget. Leave the Kicker (what's left of it) alone!
