B D

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

The farms and wetlands in that area are precious commodities to the region. We don't need more data centers that continually suck up our resources. It's important with the changing climate that we protect our natural resources, for ourselves and for the nature that we are responsible for protecting. It's part of what keeps this area beautiful and unique.
