

Submitter: David Wall
On Behalf Of: Mr Oregon OPPOSES SB 1586
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

I OPPOSE [SB 1586].

Data Centers require too much land, water and power to operate.

I would rather have valuable, irreplaceable farmlands protected for all time and used solely for agriculture.

I would like to see all Politicians supporting [SB 1586] thrown out of office by the Voters.

David S. Wall

Mr. Oregon Concurs and says, "Give the Data Center politicos 'Das Boot' next election cycle!"
