Committee: Senate Committee On Judiciary

Measure, Appointment or Topic: HB4088

Dear Chair Prozanski Vice-Chair Thatcher, and members of the Senate Judiciary Committee,

My name is Shannon Loucks I live in Yachats , Oregon. I'm writing in strong support for HB 4088 A.

With increasing attacks from the federal administration on reproductive rights and LGBTQ+ health care, patients are concerned for the continuity of their care and health care professionals are fearful for their safety. This bill is critical in safeguarding patient privacy, protecting medical providers from mounting criminalization threats, and ensuring that all Oregonians can receive the health care they need without fear or discrimination. The increasing number of threats in the last few years makes the need for this bill urgent. Oregonians cannot afford to wait. In Oregon, this care remains legal and providers should be able to deliver it without fear of federal intimidation.

Our community needs this bill because it will save lives. It will send a clear message that we care about all human beings.

HB 4088A protects access to evidence-based health care in Oregon, including the rights of all Oregonians to make personal medical decisions with their physician, without fear or intimidation of government interference.

Thank you
