

Submitter: JONATHAN FARMER  
On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SJR201

It is sad to see the legislature trying to reach into the publics pockets to clean up their mess instead of doing their job and budgeting correctly... and really just governing better. You have created this situation and instead of changing the policies that facilitated the mess you double down by doing something else that will chase more people away from Oregon instead of investing in it. KEEP YOUR GREEDY PAWS OFF OUR MONEY AND DO YOUR JOB BETTER!
