On Behalf Of:  
Committee: Senate Committee On Finance and Revenue  
Measure, Appointment or Topic: SB1586

I oppose SB 1586.  
It threatens agricultural viability.  
It targets high value farmland.  
It can raise land values, so it becomes unaffordable for farmers.  
It is a land grab.  
It takes away the habitat of many animals in the area.  
There was not enough public awareness of this measure.
