

Submitter: Angela H.

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

Dear Chairs and Committee Members,

I oppose SB1586. Our farmland is not for sale to tech that will destroy the soil and water supply. I do not want electricity rates to increase on residents. I do not want data centers that need just a few workers to use our resources. I do not want big corporations to get subsidies and tax breaks.

Thank you for your consideration.
