

Submitter: Ritch Hanneman
On Behalf Of: families for a clean Oregon
Committee: Senate Committee On Finance and Revenue
Measure, Appointment or Topic: SB1586

this bill increases taxes on the people of Oregon and destroys Oregon farm land .
This is the beginning of Higher taxes on all and allowing the data centers not to be taxed .

This also will more increases in all of our electric bills due to the data centers getting a free ride again. Enough of giving the people of Oregon the middle finger.
