Measure, Appointment or Topic: SJR201

Oregon has some of the highest taxes in the country, largest budgets in the country, one of the worst educational outcomes in the country, and the worst fiscal responsibility in the country. Stop the money and power grabs and tell us exactly how all this money is being spent before any more money is taken from the taxpayers!

People and businesses are leaving due to the gross mismanagement of this state.  
**NO MORE TAX GRABS!**
