

Submitter: Dave Hall

On Behalf Of:

Committee: Senate Committee On Finance and Revenue

Measure, Appointment or Topic: SB1586

I am writing in opposition to senate bill 1586. These technology companies do not need more tax breaks. This bill undermines Oregon's established land-use planning system and Urban Growth Boundary (UGB) processes. It also threatens agricultural communities in the area, which provide real jobs, not theoretically jobs that this bills supporters suggest.
