SCR206

I was not only proud to be represented by Senator Aaron Woods, but I was lucky enough to call him my friend. We first met as classmates in the Wilsonville Citizens Academy and worked together on the Town Center Development Task Force. Senator Woods was one of the most influential leaders in our community. As a registered Republican, there was no doubt in my mind when Aaron called to tell me he was running for the new Senate seat that I would be in full support of his campaign. He served our community well, lead our state in the AI and technology sector, and I'm so happy to see the Senate bring forward this memoriam to honor our late friend. I fully support SCR 206
