Democrats just don't stop. There is not a tax or fee they don't try to increase and then they lie about it. Recently Democrats voted to remove Oregon from some Federal Tax codes which will force taxpayers to pay \$300 million more in taxes. And the leader of the measure then lied to the public saying they were helping Oregonians. You cannot make this up. Now Democrats want to divert the Oregon kicker in the name of education. Oregon's Union run schools are about the worst in the nation. Democrats, who are owned by the unions, jump every legislative session to Union demands at the expense of taxpayers. This bill needs to die.
