Once again the people elected by Oregonian's are not listening. We have continued to oppose diverting money or taking away the kicker checks from Oregonians. Why do you all continue to ignore the people of Oregon. We pay enough in taxes and fees for every unbelievable thing imaginable already and yet you want to steal the kicker checks from the taxpayers. I strongly oppose this latest attempt to divert our kicker money (any of it) to school and forest fire mitigation. If the state had been a good steward for both, we would not need to divert hard working taxpayers kicker checks.

Thank you.
