Measure, Appointment or Topic: SJR201

I am totally opposed to SJR 201! I believe this is a waste of your time since I strongly believe it will be defeated at the ballot box. Giving more of our tax dollars to education doesn't solve our educational problems. Oregon already ranks in the top 5 in the US for dollars spent on education. And the outcome ranks us either dead last or close to it. And for community colleges they are similar to 4 year institutions of propaganda.
