Senate Committee On Finance and Revenue

Measure, Appointment or Topic:

SJR201

Dear committee, my name is Dan Whitmore from Molalla Oregon and I would like to voice my opposition to SJR201, a proposal to take away the taxpayers of Oregon kicker check. When are you people going to do something to give something back to us taxpayers rather than take and burden us with your lack of accountability and being able to cut back instead of spend beyond your means. Us taxpayers have to budget our incomes and all you folks seem to be able to do is spend beyond your means and when you come up short you just take and if there's nothing to take, you just tax us more. When are you going to figure out how your tax, tax, tax has ran businesses out of our state, then when the revenue from businesses is gone you hammer is taxpayers for your incompetence. I am totally disgusted with your behavior. With that being said, I strongly oppose the stealing of our tax kicker. Thank you for your time.

Sincerely

Dan Whitmore
