Don't amend our Constitution to siphon Kicker dollars from Oregonians who are already over-taxed. We need every dollar back in our pockets. We are so tired of being treated like cash cows to pay for your leftist and insane ideology. It's a slap in the face to read you want MORE money for education when Oregon already pays more per student than many red states who achieve better results than Oregon. I'm sick of the way you Democrats have mismanaged our taxes and abused us. You are one bad idea after another. Don't you understand your policies are responsible for businesses and families fleeing this once beautiful state? You are delusional. I can't wait for the corruption to be exposed. That day is coming and it's going to suck to be you.
