How much can the Democrat majority screw over bipartisan Oregonians who overwhelmingly oppose this bill and others that they are trying to ram down our throats in this short session.....let me count the ways!!

Imagine what they would do to us if it were a regular session!!  
They are completely out of touch with their constituents, and seem hell bent on making OREGONIANS lives miserable.  
This is the last straw STEALING our KICKER!!

You all are heartless.  
Oregon has an accountability problem, not a budgetary issue.

Leave us and our KICKER ALONE!!!
