STOP STEALING THE TAXPAYERS MONEY! The kicker exists because taxpayers voted to have it, now you come swooping in to take it because you keep wasting money and can't figure out how to live within your means. That and you STILL want to take more every time we turn around, make shady deals to move votes contrary to what people signed up for and strongarm your colleagues into voting your way and its just unacceptable. You're shaking us down like thugs, with no opportunity for input on the matter.
