I am OPPOSED to this bill! The state has funding, its not being used correctly. What is going on in this state anymore? The Democrat super-majority's only answer to ANYTHING is to continue to tax Oregonians? WE ALREADY HAVE A HIGH COST OF LIVING. WE ARE DRIVING BIG BUSINESS AWAY. The problems are getting WORSE. Its one thing to solve problems and ask for funding if results are shown...but its never the case here. Every time I turn around there's talk of taking our kicker--NO--Its the people's money, there's tolling talk on HWY217, there's the proposed gas tax increase and the games Tina Kotek played with that, you Dems even wanted to bring for what...the 10th time now a sales tax???? JUST STOP. The failures are piling up and I predict it will cost you, the people will elect a RED governor, just watch, decades of failure, its time for change.
