You cannot steal our kicker checks. I do not want it going to the public schools. Kitzhaber tried taking it from us and we said no. You cannot manage a budget that is too bad. It does not give you the right to withhold our surplus taxes. You politicians, always trying to second guess us on where our money goes instead of returning it to us. We want our kicker check. Big no to you keeping our kicker checks. Politicians always greedy, always trying to fleece taxpayers
