I completely oppose you STEALING more of our monies via taking our kicker. You are not owed a single penny of our kicker, the budget is already bloated with unnecessary expenditures that many taxpayers don't support. You have taxed Oregonians far beyond what is just and need to instead REDUCE the budget to live below your means. Leave our kicker alone, reduce taxes, return more money to hard-working Oregonians and learn to live within a sensible budget that answers the needs of our citizens. Real, legal US citizens.
